

The pull thread 7 is illustrated as simply a thread hanging from the net, as shown below in Figures 1 & 2 of Maar.

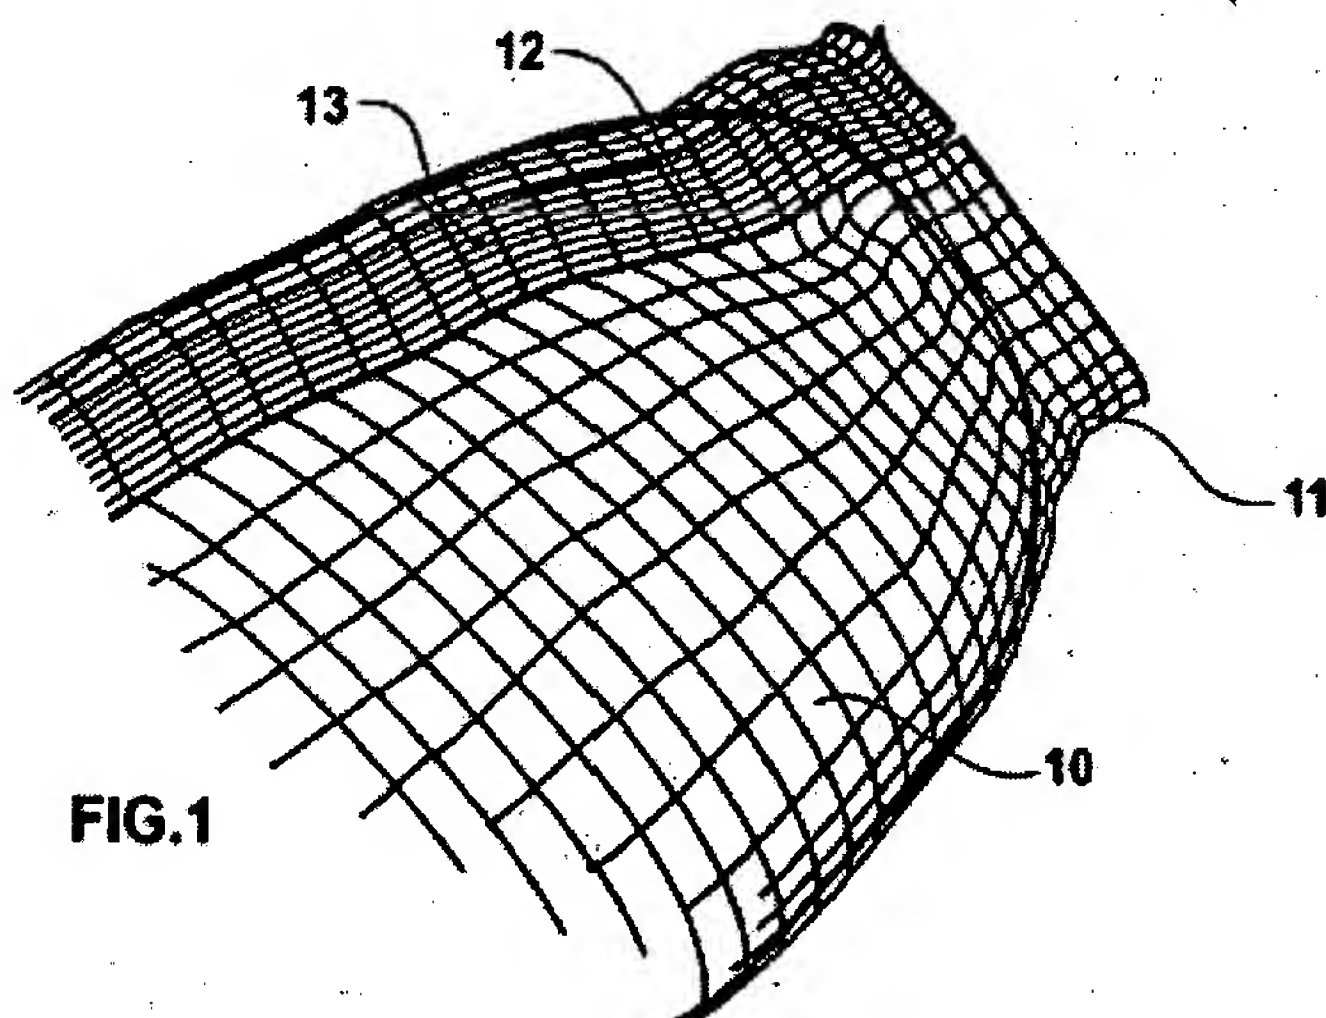

Maar, Figure 1

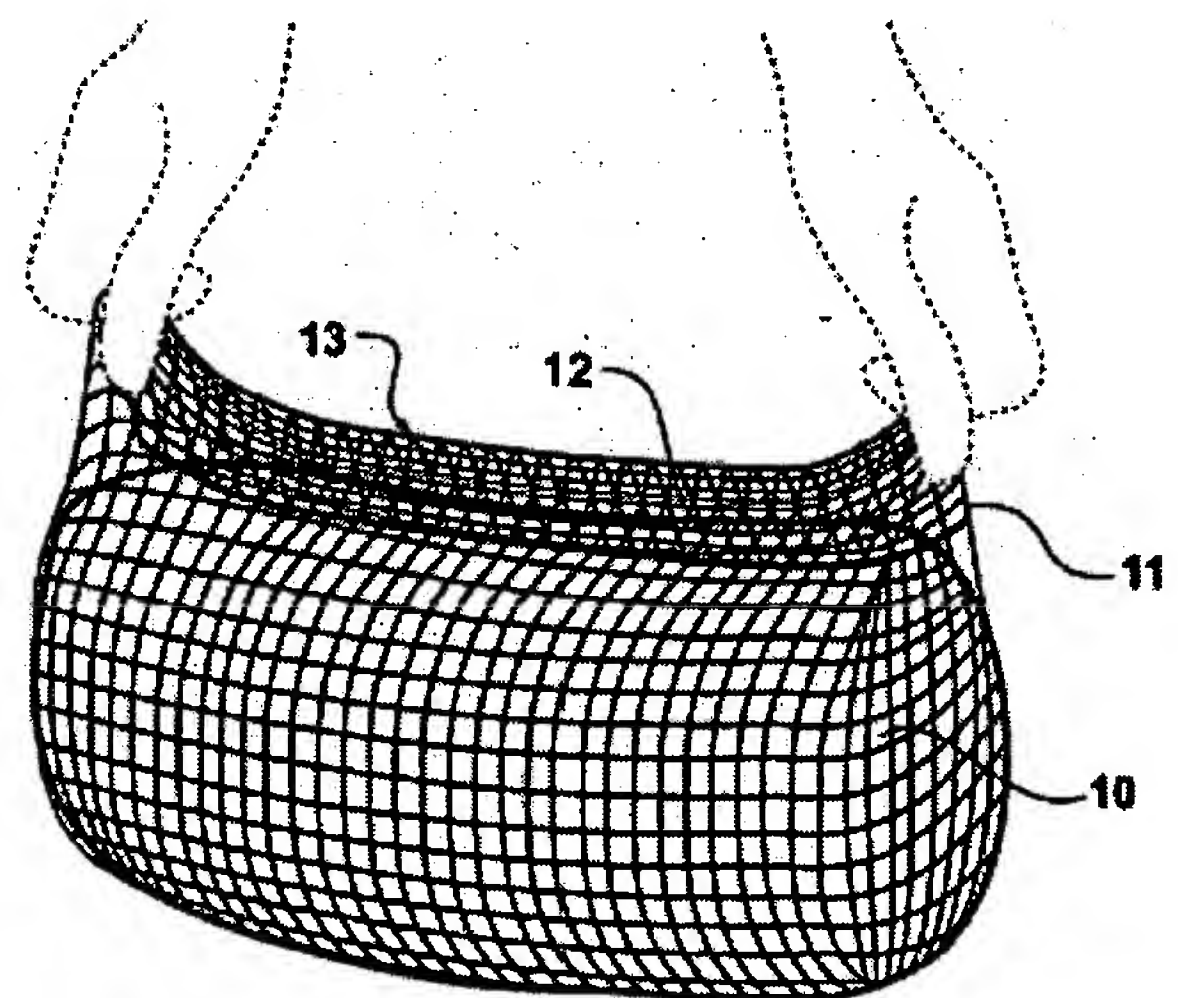

Maar, Figure 2

In contrast, Figures 1 & 2 of the present application are shown below to clearly illustrate the portion of the sleeve (*i.e.* projection 13) that projects from the product.

Application No. 10/068,332, Figure 1

Application No. 10/068,332, Figure 2
